**RE: RESOLUTION # 1999**

Mr. Brown:

The Commissioner of the New York State Department of Transportation, in consultation with the Public Transportation Safety Board, approved as satisfactory and feasible your System Safety Program Plan (SSPP) submission at the January 19, 2012 Board Meeting. A copy of the resolution is attached for your files.

If any changes occur throughout the year, feel free to update your plan. A current document is essential to ensure proper compliance between your SSPP and your day-to-day operation in the event that the PTSB audits your property.

The PTSB appreciates your efforts to improve public transportation safety throughout New York State.

Sincerely,

A handwritten signature in black ink, appearing to read "Clifford A. Thomas".

Clifford A. Thomas  
Executive Director (Acting)  
Public Transportation Safety Board
