Dear Motor Carrier:

Congratulations.

I am pleased to advise you that your operation has met our goal of having at least 90% of your vehicles pass NYSDOT's semi-annual bus safety inspections during State Fiscal Year 2010-2011. The purpose of this letter is to recognize your good performance and to express our appreciation. Your commendable performance indicates a strong dedication to safety and a commitment to sound maintenance standards and practices. I encourage you to keep up the good work.

Enclosed is the annual NYS Department of Transportation Bus Inspection System Operator Profile that summarizes the results of vehicle inspections performed on your fleet by the Department during the last State Fiscal Year (April 1, 2010 to March 31, 2011).

The Operator Profile summarizes the results of all inspections performed on vehicles in your fleet during the year. The profile also identifies the number and percentage of vehicles that passed or were placed Out-of-Service due to one or more Out-of-Service defects.

Your organization is one of 1,808 carriers that had an OOS Rate of less than 10% and by this measure places your maintenance program among the best.

Sincerely,

Clifford Thomas, Acting Director Office of Modal Safety & Security
